Product Description

A contemporary update on a classic design, this sectional sofa couch for the living room anchors any space in transitional style. Founded on a wood frame, this grey sectional couch strikes a spacious L-shaped silhouette with a cushioned back. The grey sectional sofa with a chaise is a right-hand or left-facing couch in soft linen upholstery while pocketed springs and foam cushioning offer comfortable support. Offering comfy seating, this sectional sofa with a chaise lounge is an ideal option for small living rooms. The convenient cupholders on both the sides of couch sectional offer easy space to place coffee mugs while watching your favourite tv shows. What's Included? * Chaise Included * Sofa Included *
